Faith Communities
Mental Health Conference
AGAPE COUNSELING ASSOCIATES

Envision Productions is pleased to offer the video recording of the 2014 Faith Communities Mental Health Conference. Sessions are available individually or you can order the whole Conference Set.

We are a professional video production company that has specialized in event and corporate videography for 20 years, and the owner has over 28 years experience in the video and multimedia fields. We use professional Digital Video equipment to provide you with the highest quality finished product. Each video will be edited with a computer graphics introduction, the session(s) you ordered, and delivered through the mail on DVD(s) in a plastic case.

Please fill out the form at the bottom and either turn it in at the conference with payment or mail it back with payment at the address shown below. The price list is shown on the form. Please submit your payment with your form to ensure prompt attention to your order. Your DVD(s) will be mailed directly to you when completed in approximately 2 weeks following the conference.
